Description:

Mulwaree Dorpers was established in June 2006 with Amarula and Winrae Type 4 and 5 stock when drought tolerance became an imperative. Breeding selection has always been heavy muscle, good length and excellent shedding. Quality over quantity.

Situated in a high prevalence OJD area, Mulwaree lambs kept for breeding are gudair vaccinated and all sale stud rams checked for Ovine Brucellosis.

Whether your needs are stud, commercial, or hobby, you can be assured of value for money.
