

**States Park**

**Flock No: D651**

**Owner: R Tipple**

Description: States Park Dorpers is a small boutique stud located in the Adelaide Hills. We commenced with a pureblood ram and commercial crossbred ewes. We have since added Type 4 ewes and ram from the Kaya bloodlines in our aim to produce top quality rams and ewes for the Stud and Commercial markets. Our focus is on producing highly productive, low maintenance meat sheep with great conformation and shedding.
