

Spring Farm Dorpers - black head Dorpers - Flock No: D716.

Owner's Gina and Richard Inwood established the stud in 2010 with the purchase of African's 101 purchased for \$8000 and approx 20 type 4 or 5 ewes principally purchased from Amarula and Kaya. Our foundation sire (Africans 101) is a result of a number of well-known South African sires being Micky Phillips JoJo and Hotdog.

Spring Farm Dorpers pride's itself on stock sold direct from the paddock so each client can trust in the quality of the stock they are purchasing.
