

The Croft Dorper Stud

Flock No: D53 / WD145

Owner NS, HM & CJ Sommerville

The Croft Dorper Stud was established in 1999 with ewes from Bulbarli and the sire from Diamond Dorpers.

The stud has grown with stock from embryo programs and the purchase of rams from Amarula. The White Dorpers also feature, establishing them with embryos from South Africa and the purchase of rams from Edson White Dorper Stud and Nonning White Dorper Stud.

Our goal is to breed reliable, well muscled, robust stock for the commercial market.
