

Darling Downs Dorpers

Flock No: WD278
Owner Garry Waters

Description: Darling Downs Dorpers is a seed stock producer with the goal: "To maximise clients returns by producing predictable White Dorpers which yield early maturing animals - with ease of lambing, high fertility, optimum muscle, the ability to finish on pasture - through careful genetic selection"

A major upgrade the Stud resulted from the purchase of Edson379, the Champion4 Tooth Ram2005 Dubbo National Dorper show, Senior Champion Ram 2006 and the Supreme White Dorper Exhibit 2006.

Ewes are selected on shedding ability, length, conformation, feminine outlook. Australian Sheep Breeding values concentrating on Dorper \$ index and carcase + index.
