

## **Vaz Valley**

**Flock No : WD342**

**Owner : Alex Zhao**

Description: The primary objective of Vaz Valley White Dorper Stud is to make available purebred White Dorper rams for stud or commercial users in Tasmania and the mainland. Genetics from leading Australian bloodlines are the foundation of our stud, all animals OJD vaccinated and brucellosis free. We select for good sheeding, fast growing sheep paying particular attention to good feet and mothering abilities.
