Description: Avonlea Dorper Stud was established with 70 full blood Dorper ewes. Mated with bloodlines of Roslynmead, Winrae, Oaklands. We now have 150 breeding Stud Dorper ewes and a small number of commercial ewes. Avonlea White Dorper Stud have 300 full blood Registered stock with South African classing. Mated with Roslynmead, Backcreek, Tattykeel. Together with a commercial flock of 1800 Ewes. Avonlea is focused on breeding, highly fertile, heavy muscular Rams and Ewes to the Stud and commercial sheep industry. We do this through a strict selection process. We identify superior sires and dams by using the South African Classing System.
